

ABSTRACT

Hidayati; "LEGAL PROTECTION AGAINST VICTIMS OF VIOLENCE IN HOUSE HOLD", this dissertation is under the guidance of Prof. Dr. H. Faisal Santiago, SH, MM as Advisor and Dr. H. Azis Budiarto, SH, MS as Co.Advisor.

Domestic Violence Behavior often befalls women and children, carried out by the head of the household. Domestic Violence (Domestic Violence) is a type of violence that has specific characteristics that are committed in the home, perpetrators and victims are family members and are often considered not a form of violence, which tends to continue to increase. The problem is, why the crime of domestic violence How does law enforcement policy prevent domestic violence based on Law Number 23 of 2004 concerning the Elimination of Domestic Violence? How does the Model of legal protection policy reduce the Criminal Acts of Domestic Violence?

The research method used is Normative Research and Empirical Research. The type of data used in this study is secondary data. Data collection uses observation interviews, documentation, and questionnaires.

The results; of criminal acts in domestic violence tend to increase, the cause is related to the philosophical aspects, that women are positioned as weak parties and as objects of male power. Judging from the sociological aspects, the cultural behavior of Indonesian society is customary that women or wives and children must submit to the autonomy of the husband's power as the head of the household. From the juridical aspect, the legal protection regulated under Law Number 23 of 2004 concerning the Elimination of Domestic Violence is ambiguous, because the status of criminal acts in domestic violence has the status of a complaint offense. The law enforcement policy prevents domestic violence based on Law Number 23 Year 2004 concerning the Elimination of Domestic Violence, while this is precisely the law enforcement for the occurrence of a criminal act of domestic violence, legal actions and legal remedies committed by law enforcement officials tend to weak, not tight, or not hard. The legal protection policy model reduces criminal acts in domestic violence, while only using law enforcement efforts based on Law Number 23 of 2004 concerning the Elimination of Domestic Violence, the Criminal Code and the Criminal Procedure Code, as well as empowering the assistance of NGOs and Commissioners who have the legal legitimacy of assisting victims .
